

Lead Event Host & Experience Producer

 **Location:** London / Remote |  **Duration:** Full-time
 **Salary:** £40,000 base salary + performance based bonus

About Avva Experience

Avva Experience delivers the very best **virtual, hybrid, and in-person team-building events** for corporate teams worldwide. From immersive **escape rooms** to high-energy **game shows**, our curated experiences help businesses connect, engage, and celebrate.

Founded in **2018**, we're passionate about the power of **shared experiences** to build relationships and promote happiness. We now operate in both the **UK and US**, trusted by **2,000+ global companies**, including Google, Amazon, TikTok, Deloitte, and BlackRock.

We're a **fast-growing, high-energy team** with ambitious goals. If you're looking for a **creative, performance-driven role** where you can **lead event experiences, design engaging games, and mentor a team**—this could be your perfect opportunity!

The Role: Hosting, Game Design & Training

This role is a **blend of live event hosting, experience creation, and team training**. You'll:

- ✓ **Host high-energy, immersive events** (both virtual & in-person).
- ✓ **Design new interactive experiences**, including scripting, puzzles, and visuals.
- ✓ **Train and mentor event hosts** to maintain top-tier event quality.

 **Time Split:** ~25% Hosting | ~50% Experience Creation | ~25% Training.

This role is ideal for:

-  **Actors/Presenters** who love hosting and game design.
 -  **Game Designers** who enjoy performance and experience creation.
 -  **Event Producers** with a passion for immersive storytelling.
-

Your Responsibilities

Event Hosting (~25%)

- Host **~200 virtual and in-person events per year**, including **Game Shows, Quizzes, Murder Mysteries, and Escape Rooms**.
- **Perform in character** across various immersive experience types.
- **Deliver virtual events from home** (all necessary tech provided).
- **Travel for in-person events** across the UK as needed.
- Provide **feedback to improve event formats and delivery**.

Experience Creation & Management (~50%)

- **Collaborate with founders** to create **new virtual & in-person team-building games**.
- **Write engaging scripts** for interactive experiences, turning briefs into compelling narratives.
- **Develop game puzzles & challenges**, designing fun and interactive activities for players.
- **Source and create game graphics** using tools like **Canva & Midjourney** (basic) or external designers (complex).
- **Film and direct video content** for games, working with editors to create high-quality assets.
- **Continuously improve existing experiences**, refining scripts, graphics, and gameplay.

Training & Quality Control (~25%)

- **Train and mentor new event hosts and technicians**.
 - **Update training programs** as new games are introduced.
 - **Ensure top-tier event quality**, providing feedback and coaching to team members.
-

What We're Looking For

Must-Have Skills & Experience:

- **Strong performance background** (acting, presenting, or live hosting).
- Experience **hosting both virtual and in-person corporate events**.
- **Excellent scriptwriting skills** for immersive experiences.
- **Creative thinker** with a passion for **puzzle & game design**.
- **Highly organized project manager** who can manage multiple creative projects.
- **Proficient in Canva & AI image generation tools** (e.g., Midjourney).
- **Tech-savvy** (OBS experience preferred but not essential).
- **Strong leadership skills** to train and direct event hosts.
- **Detail-oriented with a high-quality mindset**.
- **Ability to drive in the UK** (for in-person events).
- **Based in or near London** (1-2 days per week in our office).

Bonus Points For:

- Experience in **corporate team-building or immersive experiences**.
 - Familiarity with **OBS (Open Broadcaster Software)**.
 - Background in **creative media production (video, graphic design, or writing)**.
-
