About Avva Experience

Avva Experience provides the very best **virtual, hybrid, and in-person experiences** for corporate team-building, celebrations, and events. With hundreds of handpicked options, we're committed to being **#1 for choice and quality**.

Founded in **2018**, we're rooted in the science that shared experiences **build connections and promote happiness** in people. We now operate in both the **UK and US**, trusted by **2,000+ companies**, including Google, Amazon, TikTok, Deloitte, and BlackRock.

The Role

We are looking for a **talented and confident Event Technician** to help us deliver our virtual games over the busy Christmas period.

From games of 10 participants to events with 100s of attendees, you will ensure **smooth technical delivery, manage client interactions, and respond rapidly to any issues that arise**. While this is initially a seasonal role, there is the opportunity to join our team on a more permanent basis if you impress during December.

As part of this role, you will:

- Manage the **technical delivery of virtual events**.
- **Confidently use major video conferencing platforms** (Zoom, Microsoft Teams, Google Meet, Webex).
- **Run advanced functionalities** such as breakout rooms, video and sound sharing, chat, and waiting rooms.
- Manage our **online quiz and scoring software**
- **Support and guide clients** before and during events to ensure everything runs smoothly.
- **Troubleshoot and resolve technical challenges** quickly and calmly.

You will be given comprehensive training in November on our systems, software, and processes.

This training is mandatory, paid at \$20 per hour, and designed to set you up for success during December.

What We're Looking For

Must-Have Skills & Experience:

- **Experience running virtual events** (corporate, team-building, or entertainment preferred).
- **Confidence with Zoom and Microsoft Teams**; familiarity with Google Meet and Webex is a plus.
- **Strong technical ability** with breakout rooms, video/sound sharing, chat, waiting rooms, etc.
- **Excellent client relationship skills** – calm, clear, and professional under pressure.
- **Problem-solving mindset** – able to handle technical challenges rapidly and independently.

Compensation

Pay & Opportunity

- **Training:** \$20 per hour
- **Event Delivery:** \$25 – \$45 per hour
- **Ongoing Opportunities:** Potential to work with us on a more regular basis beyond December
